

**ANNOUNCEMENT
CONCERNING
STAYING AT CAMPUS IN THE STATE OF EMERGENCY OVER THE CORONA VIRUS DISEASE (COVID-
19) OUTBREAK
FOR FOREIGN STUDENTS AT TELKOM UNIVERSITY**

To prevent the spread on corona virus as the number of COVID-19 cases in Indonesia is getting increase, Telkom University has adopted a decision for the students who decide to stay as follows:

1. Students should carry out health protocols circulated by the government authorities including social distancing, as well as pay attention to personal and environmental hygiene.
2. Students are not permitted to leave the campus without any permission from the International Office.
3. Students are encouraged to carry out thermal checking every day.
4. Students' daily needs will be listed and collected to buy two times in a week.
5. If there is an urgent matter to do outside of campus, students should report to the dormitory management and fill out a permit form to be submitted to the gate security.
6. Students can contact the international office if they need help to contact food providers (catering).
7. This regulation is effective immediately (as of March 24th, 2020). Telkom University can develop any other further principles to help prevent the spread of COVID-19, as appropriate, and will inform the students via subsequent updates.

Thank you for your cooperation in this matter.

Bandung, 24 March 2020

Yours Sincerely,

Lia Yuldinawati, ST., MM
Director of Strategic Partnership and International Office
